OCTOBER 19, 2011**

2 What should we keep doing

- Advertising what the community center actually do
- Serving special needs populations
- Affordable classes keep cost down so classes can serve all families
- Recruit parent volunteers
- Free summer concerts
- Engaging middle and high school kids , late night battle of the bands, rock the park
- More volunteerism
- Look at cost cutting ideas that do not involve cutting staff
- Pursuing media coverage for specific events
- Marketing community centers event in local media, NPR, small local papers
- More marketing
- Youth programs , children's summer camps
- Jr. naturalist explorers
- Partner with like minded organizations
- Support programs that reflect the populations need (i.e.) Senior programs
- Focus on Sustainable programming
- Maintain CC current hours
- More nature programs in wetland area , bird garden
- Informal environmental education program
- Evening programs
- Racquet ball
- Pickle ball
- Foosball
- Big special events and movie nights
- Partnerships
- Friday Teen nights
- Drop in basketball
- Swimming, boating
- General youth programming
- Ball pumping
- Scholarships
- Rock the park
- Mentoring /counselor support
- Bike festivals
- Community building

**OUTREACH FEEDBACK FROM Magnuson CC
OCTOBER 19, 2011**

- Safe place for your child to play
- Toddler playtime indoor space when the weather get bad
- Bug museum
- Swimming lessons
-

3 What should we stop doing

- low attendance events
- focus on the use of space in facility reduce the use in spaces that are not bringing in revenue
- Stop ignoring your partnerships
- Stop treating CC inequitable
- Not trying to get 2B status
- Stop spending quarter of a million dollars at Matthews beach
- Be intentional about spending
- Reduce maintenance cost to building and facilities
- Stop leasing and renting to organizations that don't fit the parks guidelines
- Preschool program
- Magnet center that targets different age groups /populations
- Drop in programs
- Special events that are not self sustaining
- Low use hours
- Labor intense special events
- Free special events
- Cutting the budget
- Citywide events and focus fund on Magnuson CC needs
- NOTHING
- Reducing number of days offering open gym time
- Shortening the hours of operation
- Selling snacks out of vending machines
- Ignoring needs of the community
- Being open when the kids are in school
- Thinking and acting in "Silos"
- Thinking that parks and Recreation is just for kids, growing senior population
- Non sustainable programs
- Keeping staff that are not doing their jobs accountability
- Inefficiencies
- Cutting the Parks Department's budget
- Being closed in the day during the summer months
-

OCTOBER 19, 2011**

#4 What can you Do?

- Send letter to the city council
- Help educate people about the importance of Community Centers
- Leverage structures in place of events
- Use the talent of volunteers and docents
- Help with building partnerships
- Create a neighborhood network
- Families and kids need to be served
- Advertise the uniqueness of the parks, water activities, nature programs
- Ask for donations from Safeway and QFC
- Volunteer awareness campaign
- Attract regionally broader promotion
- Ability to create with children
- Utilize relationships and assets that already exist
- Leveraging schools, View ridge, Sand Point, Laurelhurst, Bryant Wedgewood, Eckstein, Roosevelt, U Prep, Hale
- Volunteer create framework, that makes volunteerism easier
- Involve all ages
- Fundraising BBQ special events'
- We will speak up at public meeting with Council and Mayors office
-
